### Discover the abundant life of Christ

"I came that they may have life, and have it abundantly" (John 10:10b)

How long are you willing to live something less than the kind of abundant life that was purchased for you at the cross of Christ? Isn't it time to conquer those hurts and failures that have distracted your attention from the face of God and placed you under the control of lies that continue to lead you away from him?

Healing the wounded heart provides a simple and biblical approach of eliminating the obstacles that prevent you from intimacy with God and people.

These obstacles include:

- Fear
- Rejection
- Worthlessness
- Shame
- Insecurity
- Defilement
- Hopelessness

You were created for the love of God in Christ Jesus-to live a life in His presence. He has provided a way to destroy the negative influences that distract your face from His. Healing the Wounded Heart provides a gentle, "presence driven" approach to discover WHAT negative influences control you, WHEN they are triggered, WHERE they came from, and the TRUTH that destroys the power of demonic and destructive lies we have come to believe.

# HEALING *the* WOUNDED H E A R T FACILITATION ENCOUNTER

*A simple and biblical approach to  
removing obstacles to intimacy with God.*

# HEALING THE WOUNDED HEARTED

## Facilitation Encounter

This four-day encounter is more than a time of training, it is an encounter with the healing heart of God. Our goal for this time is to encounter the personal presence and heart of God and to learn a simplified approach to bring others to intimacy with God. The sessions are open and interactive with live ministry. Here is a summary of our four days in the healing presence of God.

### Tuesday 4th DAY ONE

#### Suffer the Little Children 9:00am - 5:00pm

All of us have experienced some kind of wound in the past which led us to believe lies about God and ourselves. Today we are learning to see and connect with the wounded child to minister the Father's heart of compassion.

Day One sessions include...

- The Wounded Child
- The Memory Frame
- Biblical Principles of Healing Wounded Hearts
- Preparing for the Encounter
- Ministry and Debriefing

### Wednesday 5th DAY TWO

#### Removing Obstacles to Intimacy with God 9:00am - 5:00pm

We have a simple and biblical approach to healing and intimacy with God. Influences such as fear, rejection, worthlessness, shame, insecurity, defilement and hopelessness prevent us from enjoying purposeful intimacy. Today we will learn to facilitate a biblical, simple and gentle approach to removing obstacles to intimacy with God.

Day Two session includes...

- Tearing Down Altars
- Discovering the influences that control our hearts
- Smashing Sacred Pillars
- Finding the triggers and destructive patterns that compromise our lives

### Thursday 6th DAY THREE

#### Removing Obstacles to Intimacy in Marriage 9:00am - 5:00pm

The greatest difficulty in marriage and other intimate relationships is the lack of vision. We do not see one another. In these sessions we will learn how to uncover the issues that force us to react out of past pain and learn how to respond to one another's needs in compassion. These same healing principals will be applied to many different kinds of relationships.

Day Three sessions include...

- What Do you See?
- Moving from Reacting to Responding
- Healing Conflicts

### Friday 7th DAY FOUR

#### Walking in Truth 9:00am - 5:00pm

The healing encounter is not the end of the process. Many times healing is undone because we have not been able to walk out the Truth we have received. The goal of *Healing the Wounded Heart* is to remove obstacles to intimacy with God. Today we will present several healing disciplines that will help the healing to continue in their healing through the Rhema and the Logos words of God.

Day Four sessions include...

- Changing the Locks
- Breaking Self-promises
- Removing Judgments
- Dealing with the Devil
- Continuing in the Truth and Healing

## A SIMPLE AND BIBLICAL APPROACH TO REMOVING OBSTACLES TO INTIMACY WITH GOD.

### 'Bringing the Father Heart of God to a Fatherless Generation.'

We are a group of Christians from many Denominations who are working together to build the Father's House Christian Healing Centre at Lawson. We seek to bring the healing love of God to impossible situations. We regularly see the impossible become possible through prayer.

*'Love the Lord your God with all your heart and with all your soul and with your entire mind. This is the first and greatest commandment. And the second is like it: Love your neighbour as yourself.'*

Jesus of Nazareth

### LOVE IS NOT NEGOTIABLE PASSION FOR GOD COMPASSION FOR PEOPLE. PERIOD

We offer a range of programs and are seeing lives changed. Many people have not found the church to be a place of loving acceptance; in fact, unfortunately, they have found it to be the opposite. Loving people is easy to say but hard to do consistently, without an environment that both fosters and encourages that determination of the heart. With God's help we are creating that sort of environment.

*'The Church is the people of God on a pilgrimage together'* Pope John Paul 11

In that sense we are a 'church' but we are not a denomination. Our meetings are characterised by exuberant praise, deep reflective worship and the operation of Spiritual Gifts. Each service concludes with a ministry time where the miraculous happens frequently.

Perhaps the greatest miracle that happens at The Father's House is that Catholics, Evangelicals, Pentecostals, Orthodox, House Church and Messianic Jews can both worship together and see their friendship and love for each other blossom and grow. Centuries of bigotry and angst are being healed in His presence. . . We believe this is an answer to the prayer of Jesus in John 17"

*Father I pray that they might be one as You and I are One."*
